EDUCATION

CVR college of engineering, Hyderabad

B. Tech in Artificial Intelligence and Machine Learning

CGPA – 9.58/10

Grade XII (Sri Chaitanya Junior College)

Secured 98.6% in total

Grade X (Abhyas Techno High school)

Secured 10 CGPA out of 10.0

Hyderabad

2021-present

Hyderabad

2019-2021

Miryalaguda, Nalgonda district

2018-2019

ACHIEVEMENTS

- Achieved certification for completion of coursework on Python for Problem Solving, learn Java and DSA
- I've successfully completed my 30 days Masterclass on Machine Learning at Pantech e Learning from 01-09-2023 to 30-09-2023
- I've successfully completed an 8-week Salesforce Administrator virtual internship with Trailhead by Salesforce from November 2023-December 2023
- Awarded merit scholarship for the year 2022-2024
- Participated in IDEATHON in CVR college of engineering
- Secured state 2nd rank in National Science Olympiad in sixth standard

SKILLS

Technical Skills -

- C
- PYTHON
- JAVA
- DBMS
- SQL
- OOPS
- DATA STRUCTURES AND ALGORITHMS
- HTML5
- CSS
- JAVA SCRIPT
- MACHINE LEARNING

Soft Skills - Communication | Teamwork | Leadership | Adaptability | Problem-Solving | Quick learner

COURSES

- Problem Solving and Computer Programming
- Data Structures and Algorithms
- Object Oriented Programming
- Database Management Systems

PROJECTS

PREDICTION OF STATUS OF CHRONIC KIDNEY DISEASE

- Developed a Machine learning Model that predicts whether person has Chronic kidney disease or not

EMAIL SPAM DETECTION

- Developed a Machine Learning Model that predicts a mail is spam or ham

HOUSE PRICE PREDICTION

- Developed a Machine Learning Model that predicts the house prices

COMMUNITY ENGAGEMENT

- **IKSHANA**, CVR college of Engineering (NGO).
- **KALAKRITI**, CVR college of Engineering(ART club)

HOBBIES AND INTERESTS

Social Service | Drawing | Painting | Dance | Listening to music |
